

The mission of  
Bridgepath, Inc  
is to support  
the formation  
of peace within  
all of who we  
are so that we  
together help  
change the  
world one  
relationship at  
a time.

***Bridgepath, Inc***

serves the Carolinas and other  
areas through Tele-Mental Health. Our  
website [www.bridgepathinc.com](http://www.bridgepathinc.com):

- Describes these services
- Provides helpful videos for the viewer's reflection
- Contains password-protected resource sections for the counselor/psychotherapy supervisee-in-training and supervisor-in-training

A schedule of classes and workshops  
offered in diverse places also can be  
found on the website.

## **BRIDGEPATH, INC**

Building Bridges with Care

**200 Fernwood Drive  
Spartanburg, SC 29307**

## An Integrated Context

All of us need a place of community for support, undergirding and focus when we journey through important life transitions.

**Bridgepath, INC** offers such a place with a bio-psycho-social-spiritual perspective which is steeped in the "care of the soul" tradition, and also draws on the resources of the following disciplines:

- Theology
- Biblical Research
- Philosophy
- Sociology
- Spiritual Care
- Counseling and Psychotherapy
- Couple and Family Therapy
- Systems
- Cybernetics
- Holistic Medicine
- Energetic Perspective
- Quantum Physics
- Coaching and Consultation
- Education, Mentoring and Clinical Supervision

## An Intentional Focus

**Bridgepath, INC** is a professional, person-centered practice for various specializations including:

- Individual, couple and family counseling and psychotherapy offered by a multi-licensed and certified psychotherapist and supervisor
- Individual, triadic and group clinical supervision for persons seeking various state and cognate group certifications
- Professional Healing Touch offered by a Healing Touch Certified Practitioner/Instructor
- Healing Touch Classes leading to certification
- Specialized Workshops and Groups based upon need
- Professional consultation
